

ARKAMYS

I PRESS RELEASE | November 1, 2017, Tokyo, Japan

ARKAMYS' SoundStage Audio Software Now Available on Renesas' Third-Generation R-Car!

ARKAMYS Audio : SoundStage High

- ARKAMYS, **partner of Renesas R-Car Consortium**, has ported its **audio enhancement software solutions SoundStage** to the **third-generation R-Car SoCs** to provide a **robust in-vehicle infotainment system solution**
- **Customers** will benefit from a **time-to-market optimization** with the third-generation R-Car designed for **mid and high-range cars** with the availability of ARKAMYS SoundStage Software

ARKAMYS audio expert has collaborated with its **partner Renesas** to **port the ARKAMYS SoundStage software solutions to the third-generation R-Car SoC** to **anticipate their customers' needs** and to provide the latest sound enhancement.

That ARKAMYS software audio solution delivers a **fully immersive sound experience** for drivers and passengers and the automotive customers will benefit from:

- our **modular, scalable** and **embedded** SoundStage software
- the **complementarity** of software and hardware optimization
- the **in-vehicle audio quality of infotainment systems enhancement**
- our professional PC-based **tuning tool and associated services** available as tuning expertise

Renesas' **R-Car Family** is **ideally suited for automotive applications** that require outstanding computing performance combined with dedicated features supporting high-end graphics generation. This includes Connected Car, In-vehicle Infotainment, ADAS and more.

In-vehicle audio demonstration available [upon request](#).

About ARKAMYS:

As a recognized leader in audio signal processing, ARKAMYS develops innovative software and services for the automotive, mobile phone, virtual reality and connected objects industries.

The sound experts at ARKAMYS are renowned for their work in 3D audio, voice processing, and sound rendering. These same experts create cutting-edge solutions that optimize the speech intelligibility and audio quality of consumer electronics products.

ARKAMYS consistently delivers exciting new audio technologies across the globe, expanding its reputation over the past 16 years to create a strong presence in the USA, Europe, Japan, Korea, and China.
